## **Siana gold mine**

**The Red5 Board and management regrets to advise of an accidental death on the mine lease at the Siana gold mine, in the Philippines.**

The deceased was an employee of Delta Earthmoving Inc., the earthmoving contractors at the mine and was employed by Delta as a mine pit worker during the night shift.

Preliminary investigations by the Company and the authorities indicate 'death by misadventure'. The deceased was not at his assigned work area and the incident is not related to the mine pit operations.

The Red5 Board and management extends their sincere condolences and support to the family and friends of the deceased.
